

## Children Desiring God Returns Policy

Customers may return products for up to 60 days after receipt. Please include the original packing list, and pack items carefully so that they are not damaged in shipment. CDG will not issue credit for items that are damaged.

When returning teacher's kits, please remove the lesson content from the three-ring binder and wrap it with plastic wrap. Pack each teacher's kit back into the box provided by CDG, and then package the CDG boxes into a larger box for shipping.

When returning student workbooks, there must be a piece of paper between each workbook that is returned.

For questions about your return, please call 1-888-346-4700, or email [mail@desiringGod.org](mailto:mail@desiringGod.org).
